The best way to tell us about your site is to submit a site review (yes, you can review your own site) at:

<http://www.surfnetkids.com/reader/submit-review.php>

We publish the best of these on category pages that are linked from each of topic pages. Here is a sample of one of those pages:

[Reader Reviews: Fifty States.](#)

We have some specific topic and holiday sites that also accept site reviews:

Submit a [craft recipe for MakePlayDough.com](#).

Submit a [4th of July site for IndependenceDayFun.com](#).

Submit a [Halloween site for FunHalloween.net](#).

Submit a [Thanksgiving site for ThanksgivingFun.net](#).

Submit a [Christmas site for SantaClausFun.com](#).

Submit an entire set of educational and family-oriented bookmarks [at SharingLinks.com](#).
